Dear Kathy,

Well, here it is our last year at old A.H.S.

Aren't you glad? Now you can go on to school at LaCrosse and learn to be a gym teacher. Then I suppose you will come back home and try to teach me some of those dumb games you've learned up there.

But no kidding Kathy, I will really miss you when you leave this old town. I won't be the same without you. I'll be sitting home all alone all the time and I'll never be able to wait around for

"Kate" to come riding up in that Sig Buick.

We sure ~~did~~ have some good times when we did go out together didn't we. At the dances the drive-in and those times when we would go swimming. I should say when you went swimming and I waded. Then you would come & dunk my head in the water so my hair would get wet.

Lotta buddy, aren't you? Too bad we didn't get to go out more together this year, isn't it?

We had a lot of fun double-dating when you were doing with Bob, didn't we? You should have never stopped writing to him, but if I know you, you always want to be a free woman! Right?

Kathy, when you go away I don't want you to forget about me, because I'll still be thinking of you. Lots of luck when you go away to school & I know you'll be one of the best gym teachers I'll ever know.

Lots of Love, ++

Dear Kathy,
 I don't know where to start.
 It's been wonderful having
 you for a friend all these years.
 Remember all the fun we
 used to have upstairs
 and when we would
 go out together. I can
 wish we could have
 done it more often. I
 wish you'd write to
 me once in a while.
 This summer I was
 everything to a wonderful
 girl.

Hi Kathy,
 Sure had a lot of
 fun in Gym class
 maybe someday you'll
 learn how to play
 tennis. Be good &
 lots of luck in school
 next year.
 Love,

SENIOR CLASS HISTORY

Hoping to do a good job and to have a good time, our class entered the doors of the senior high school in 1952. Our officers that year were Dick Olk, Irene Bovee, and Jack Eder.

To help carry us through our junior year, in 1953, we chose Tom Olk, Louise Schumitsch, and Mike Boll. "Dreamer's Holiday" was chosen as the theme for the big event of that year, our junior prom. Jack Eder was chosen king and as his queen, he escorted Louise Schumitsch. Also, hi-lighting that big year were the honors and scholarships given to deserving classmates. Melvin Hoke was awarded the "Spade" for the highest scholastic average. Jack Eder and Bobbe Vassau were given the "Spoon" and "Mirror" for being chosen the most popular boy and girl. Chosen as delegates for Badger Boys' State were Don Krall, Tom Olk, and Dick Olk. Bobbe Vassau represented us at Badger Girls' State. In the field of music, Phyllis Parsons was awarded the choir scholarship, and Margaret Fergin and Judy Duchac were awarded band scholarships.

Closing the doors on our wonderful junior year we were all set to enter into our last year and make it a big one. Leading the class of '54 were Don Krall, Jack Eder, and Pat Callahan. The first big event, hi-lighting the football season, was "Homecoming." Louise Schumitsch reigned as queen and her attendants were Bobbe Vassau, Judy Duchac, Irene Bovee, and Mary Knoebel. In spite of inevitable losses, the football team did a great job and we were all proud of the boys. Senior letterwinners were Carl Borowczyk, Jack Eder, Jay Heckman, Don Krall, Dick Olk, Tom Olk, Don Parker, LaVerne Pendleton, Jim Reif, Clyde Rice, Fritz Schedlbauer, Tom Seidel, and Dick Thorne.

A three-act comedy was the theme for our class play, "Cinderella Cottage." Hi-lighting the Christmas holidays was the annual Sno-Ball. "White Christmas" was the theme and it was led by king, Don Krall and his queen, Carol Hackbarth.

I am sure as we look back on the memories of our senior years, we will recall the happy and sad ones and know that we will never forget any of them. Those memories comprise the best years of our lives.

JUNIOR OFFICERS

Secretary-Treasurer, Janice Randall
President, Dick Stengl
Vice-President, Leslie Braun

JUNIOR CLASS HISTORY

As sophomores, we entered the Antigo Senior High a little apprehensively and with very little confidence. But our fears were soon eased. As juniors, we, the class of '56 had "great expectations" for this, the second to the last of our school years.

Our confidence that these expectations were well founded could be seen in the showing our class made as sophomores. The officers for that year were Dick Stengl, President; Judy Reinert, Vice-President; and Leslie Braun, Secretary-Treasurer. We contributed three lettermen in football and two in basketball. We were well represented in all of the other activities too, and we took part in the annual Homecoming parade. The theme of our float was "Point's a Washout."

As juniors, Dick Stengl was chosen President; Leslie Braun, Vice-President; and Janice Randall, Secretary-Treasurer. Again we contributed several lettermen; three of them, Dick Bonnell, Dick Stengl, and Ron Durenburger, won second year letters in football. Basketball was not lacking in juniors either. Our Homecoming float, "We'll Put Them Through the Clinic," showed we had originality by bringing home first prize. And we can't forget the other activities, for we juniors made up a good part of them.

All in all, we the class of '56 met our own "great expectations" and are looking forward to next year with new hopes, new friends, new ambitions, and new ideas.

Dear Kathy,
I had fun
in H.A.A. this year
luck? you were sure a
good President, for all
the hard times, so all
agreeing, that was too bad, it
made it so hard for you.
Best wishes,
Mail Dec '56

like college real well
& I'm sure you will
make a real sweet guy & I

kids take too many showers)
Always
Janet

Dear Kathy,

SOPHOMORE CLASS

We the class of '57 entered the Antigo Senior High School filled with plans, hopes, and dreams to make our years profitable, not only to ourselves, but to the entire school.

We elected for our class officers President, Gary Dorn; Vice-President, Lynn Tradewell; and Secretary-Treasurer, Nancy Lingenfelter.

Our first main event was the Homecoming. It was exciting to work on our float bearing the slogan, "We'll Grind Our Way to Victory."

For the first time in A. H. S. the sophomores presented a class play which was entitled, "The Patsy."

Our "B" squads in football and basketball, backed by their cheerleaders, showed promise for the coming years.

Many of our students received individual and collection awards in their respective fields.

We are adjusted to the senior high now, and are looking forward to our junior year with much anticipation.

Antigo started out its 1954-55 season in an encounter with Marshfield. The game was a contest all the way, but the final bell revealed Antigo as the loser by two points. The Robins made up for this close defeat by posting a victory over a talented Tomahawk team by a narrow two point margin. The next foe encountered was Wisconsin Rapids, a perennial powerhouse. Our boys put up a terrific struggle but were subdued by two points again. These games were typical of the season.

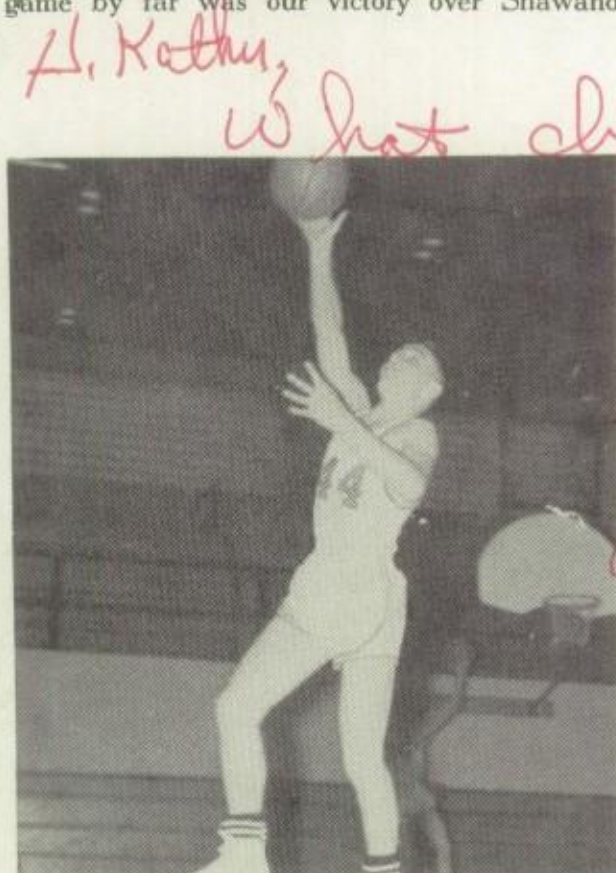

Highlights of the season included wins over Tomahawk, Stevens Point twice, and our traditional rival Rhinelander. The greater game by far was our victory over Shawano to gain the regional

championship. All were outstanding in this game but our particular gratitude goes out to Tom Olk for his game winning free-throw after time had run out. We are expecting great things of our boys at the sectional. High scorer for the season was Don Krall.

Returning lettermen include Dick Frey, Bill Tradewell, John Radtke, Frank Hunter, Bob McCormick, Jerry Prins, and Dick Bonnell.

Losses sustained by graduation are the following: Don Krall, Tom Olk, and Dick Olk.

We are all justly proud of this years team and anxiously await next season.

At the end of the year, ten senior boys were chosen to comprise the all-star squad which was to take on the faculty. The intramural program was supervised by Mr. Smick.

I got to know you
these years. I wish I could have seen you around
now but we had a couple of good times swimming
and at the drive-in. I know you'll make a very
fine phys. ed. teacher, Kate - and I hope you'll
work because the kids will
certainly like having you for a teacher.
Keep up the good
work, and I hope
you'll find a companion
on the ice company
you'll enjoy.

G.A.A. provides the girls with entertainment, along with good, healthy athletic activities. A large number of girls attend G.A.A., for their meeting usually numbers nearly one hundred. The girls meet once a week for major activities, such as basketball, archery, and volley ball. They have a lot of fun and usually break up around five o'clock. On Tuesday nights, we find them at the bowling alley in rip-roaring competition.

The big event of the year is the G.A.A. banquet, when all the girls go out for a good healthy meal. They all look forward to this with much anticipation.

Both the "A" squad and the "B" squad cheerleaders, under the captaincy of Louise Schumitsch and Leslie Braun respectively, did a fine job of cheering our team on to fight their hardest. With Miss Martin acting as advisor, they introduced many new cheers and performed in bright new uniforms. I'm sure everyone will agree that they did a lot to promote good school spirit and to instill in the boys that old "Go! Go! Go!" in all their games. As the old saying goes, "A cheering section without cheerleaders is like an orchestra without a conductor."

Mrs. Mueller is director of the forensic program, which has become a year round activity at Antigo. In September the 32 club members attended a Speech Institute held at the State College in Stevens Point. On October 30, fifteen of the members participated in a Practice Meet held for 10 of the Valley schools at Merrill High.

Club members are in great demand year round to appear on the programs of the various city organizations. January and February are busy months preparing for the High School Contest traditionally held on March 1. The winners go on to League, District, and finally to State competition.

As you all know, the Antigonian is a school edited and produced newspaper, and getting a paper out every three weeks and doing a good job of it, has kept the Antigonian staff plenty busy. At the same time they have gained experience in production and news writing, learned the fundamentals of better journalism, and still found time to sponsor three dances.

Under the direction of Miss Liberda, the school paper has brought news of all kinds to the students of A. H. S. I'm sure we are all happy and proud of our "Antigonian."

The main purpose of the Photography Club is to encourage interested students to take better pictures. At the meetings, where terms like "paralox," "hyperfocal distance," and "f-stop" are thrown around with apparent understanding, Mr. Meyer, the advisor, instructs the members in a few of the technical and artistic phases of photography. They also develop and print their own pictures in the school dark room.

At the beginning of the school year Bill Hansen was elected President. No other officers were elected.

Some of the activities of the club included a shooting session for which two Junior girls posed, and a display of the national prize-winning pictures.

The big event of the year, after the teams had participated in debates in Merrill, Point, and Eau Claire, came when the "A" team won the right to attend the state sectional. This was the first time in 14 years that Antigo had been represented at this particular tourney. Members of the winning team were Leslie Braun, Bobbe Vassau, Melvin Hoke, and Bonnie Mehren.

The debate squad also has given a program over the air this year, with the help of the Antigo High School Radio and T.V. Club and WATK Antigo.

All in all the season proved successful, and so another year of debate in Antigo High has been completed under the fine direction of Mrs. Whiting.

Dear Kathy:
 Well, I can't believe that we are really graduating, can we? It just doesn't seem possible! Boy we have sure had our share of good times together though, haven't we? Not so much this year as in the past. Maybe this summer we can get together at this cottage, if you will promise to be good, and not do anything as drastic as we did last year. it was fun though, wasn't it.
